

Bases for washer extractors and tumble dryers

W465H
Base with closed front and sides

Features and benefits

- A base brings the machine to a convenient working height – for improved ergonomics in your laundry
- Front and side panels of the machine are better protected from wear and tear when mounted on a base
- Base IWS™ (Integrated Weighing System) for machines with Clarus Control®. Load cells located in the feet weigh the contents of the drum as it being loaded. The current weight is displayed on the Clarus Control panel

BASE; open front & sides

①

Suitable for models: W455H, T4130
Material: Stainless steel.

②

Suitable for models: W465H, W475H, T4190
Material: Stainless steel.

③

Suitable for models: W465H, W475H, W4105H,
W4130H, W4180H,
W4240H, W4300H
Material: Stainless steel.

W4130H

BASE; closed front & sides

④

Suitable for models: Base frame for
stacked installation
W455H, T4130.
Material: Galvanised steel.

⑤

Suitable for models: W455H, T4130
Material: Galvanised, grey painted
steel with stainless steel
front panel (9889182-40).
Special version
“floating foundation”
concrete filled (9889182-42).

⑥

Suitable for models: W465H, W475H, W4105H,
W4130H, W4180H, W4240H,
W4300H, T4190
Material: Galvanised, grey painted steel
with stainless steel front
panel.

⑦

Suitable for models: W475N, W485N,
W4105N, W4130N,
W4180N, W4250N
Material: Galvanised, grey
painted steel with
stainless steel front
panel.

BASE; mobile

BASE; "floating foundation"

8

Suitable for models: W465H, W475H, W4105H, T4190
Material: Galvanised, grey painted steel with stainless steel front panel.
Feature: The base frame has four wheels. Makes the maintenance work easier in narrow areas.

9

Suitable for models: W455H, W465H, W475H, W4105H, W4130H, W4180H, W4240H
Material: Galvanised, grey painted steel with stainless steel front panel.
Feature: A "floating foundation" filled with concrete eliminates noise to other parts of the building.
