

# PROD 06SVII

Pro Series 6 Professional Dryer  
Stainless Steel with Titanium Panel

SENSING THE DIFFERENCE

KEY FEATURES	KEY BENEFITS
<ul style="list-style-type: none"> <li>6kg large capacity</li> </ul>	<ul style="list-style-type: none"> <li>Space to dry your entire wash load</li> </ul>
<ul style="list-style-type: none"> <li>Guaranteed for commercial use</li> </ul>	<ul style="list-style-type: none"> <li>Ideal for heavy domestic use (football mums) and small businesses with space limitations, pubs, clubs, hairdressers, nursing homes etc...</li> </ul>
<ul style="list-style-type: none"> <li>Sensidry Automatic sensing system</li> </ul>	<ul style="list-style-type: none"> <li>Patented system that measures the relationship between humidity and temperature which gives more accurate sensing than traditional sensor dryers</li> </ul>
<ul style="list-style-type: none"> <li>Temperature sensor</li> </ul>	<ul style="list-style-type: none"> <li>Select low temperature and the sensor will maintain a stable low temperature <math>\pm 1</math> degree C for safer fabric care on delicates</li> </ul>
<ul style="list-style-type: none"> <li>Vented dryer</li> </ul>	<ul style="list-style-type: none"> <li>Easy installation, standard 100mm outlet</li> </ul>
<ul style="list-style-type: none"> <li>Coin-op ready</li> </ul>	<ul style="list-style-type: none"> <li>The machine is prepared ready to connect to an external coin-op or smart/chip card system</li> </ul>
<ul style="list-style-type: none"> <li>Stainless steel drum and bulk head</li> </ul>	<ul style="list-style-type: none"> <li>Higher quality, stronger and better corrosion resistance</li> </ul>
<ul style="list-style-type: none"> <li>Double lint filter</li> </ul>	<ul style="list-style-type: none"> <li>For more efficient lint collection which means less lint build up in the machine - a safer and more efficient drying performance</li> </ul>
<ul style="list-style-type: none"> <li>Removable fan for easier cleaning</li> </ul>	<ul style="list-style-type: none"> <li>If any lint does get past the double lint filter and builds up around the fan in very heavy use, there is no need to call an engineer, simply remove the fan and clean yourself</li> </ul>
<ul style="list-style-type: none"> <li>LED water container and filter full indicators</li> </ul>	<ul style="list-style-type: none"> <li>Automatically informs you when it needs emptying</li> </ul>
<ul style="list-style-type: none"> <li>Stacking kit option AMC973 (80 03437 798016)</li> </ul>	<ul style="list-style-type: none"> <li>Allows matching dryer to be safely stacked on the washer - saving valuable space</li> </ul>
<ul style="list-style-type: none"> <li>Optional pedestal</li> </ul>	<ul style="list-style-type: none"> <li>2 versions available: open style or with drawer for extra storage space for laundry consumables</li> </ul>
<ul style="list-style-type: none"> <li>Butterfly drying action</li> </ul>	<ul style="list-style-type: none"> <li>Tumbles in a figure of 8 pattern due to the unique paddles, meaning no need to reverse tumble which speeds the drying process and is less stressful on the motor and drive components</li> </ul>
<ul style="list-style-type: none"> <li>Easy control</li> </ul>	<ul style="list-style-type: none"> <li>8 auto programmes built in - press the programme button and start (11 language options)</li> </ul>
<ul style="list-style-type: none"> <li>Ball bearing support</li> </ul>	<ul style="list-style-type: none"> <li>Others may use plastic drum front bearings but using ball bearings greatly increases the durability and life of the product</li> </ul>
<ul style="list-style-type: none"> <li>KidSafe</li> </ul>	<ul style="list-style-type: none"> <li>Start delay programme - if a child climbs into the drum and closes the door it will not start immediately</li> </ul>

WEIGHTS AND DIMENSIONS	CONVENIENCE
<b>Dimensions (h x w x d) mm</b> Packed 850x595x595 910x625x695 <b>Weight (kg)</b> Packed 39 40 <b>WEEE Directive</b> Class 1	6kg extra load capacity - space to dry your entire wash load Simple user interface - press the programme button and start Large opening for ease of loading/unloading Prepared for coin op/smart card Easy access front filter Auto anti-crease - releases creases, saving you effort when ironing Auto cool down phase - remove garments ready to wear Stacking kit option - comes with stacking kit as standard
TECHNICAL DATA	PERFORMANCE
Availability June/July 09 12 NC 8575 905 10000 EAN Code 8003437970207 Available in Stainless Steel with Titanium Panel Predecessor model no. HDD 06SC WG Power supply 230V/50Hz Fuse Ampere 10A Heating power (watts) 2500 Photo reference Type Vented	Energy efficiency C Noise level db(A) 65 Consumption (based on 5kg cotton cupboard dry) Energy/programme 3.5
FABRIC CARE PROGRAMMES AND OPTIONS	OTHER KEY FEATURES
No of programmes 8 pre-set programmes	Butterfly drying Stainless steel drum and bulk head - heavy duty, durable, high quality material
TIME MANAGEMENT	
Sensing system - automatically adjust the time depending on the load Sensor automatically stops drying on achieved desired dryness Programme status indicator Large condenser for quicker drying No need to reverse tumble so shorter drying times
